

The Stadium Theatre Performing Arts Center is pleased to present:

# ENCORE Kids Kamp

Thank you for your interest in The Stadium Theatre's 2<sup>nd</sup> Annual Encore Kids Kamp. Enclosed please find a registration form to be filled out and returned. You may choose a desired 2 week session or are welcome to participate in both sessions. Daily classes promote self-confidence through theatre games, acting instruction, vocal coaching and simple choreography.

During the 2 week session your child will:

- Learn the basics of theater and performance.
- Learning the techniques of auditioning for a show by learning a song, a short dance number and reading from a script.
- Learn how to be part of an ensemble group and work together as a team.
- Play theatre games and learn the art of acting for stage
- Be cast in the show ranging from ensemble to lead gaining awareness that each part is just as important as another to the final performance.
- Receive a copy of the script and a CD of the songs to help them memorize lines, lyrics and dances at home as well.
- Most importantly - meet new friends, gain self-confidence and have a great experience in a safe healthy environment while learning the importance of having fun on stage!

This year we will offer 2 different age groups – with each group performing a finale at the end of their 2 - week session. Campers will dance, sing, and act while working with experienced directors, choreographers, and musical directors on the historic theatre's stage. There will also be 4 assistants working with-in the groups.

All children will be responsible for bringing their own lunch and snack. We will encourage children to bring and drink plenty of water throughout the day.

Sign your child up today as space is limited and registration is on a first come first serve basis. Return your registration with a non-refundable deposit of \$150.00 with the remainder due at the first day of Kamp. All forms should be mailed to:
